

REMARKS

The Notice fails to set forth any cause for non-compliance of the Amendment filed July 29, 2005. However, a review of the section entitled "Amendments to the Claims" revealed that the text of claims 1-9 was omitted. Claims 1-9 were withdrawn from consideration. See Paper No. 20050224 at page 2. Accordingly, the amendment does not include a "complete listing of all of the claims." It is this omission that is believed to be "non-compliance" that led to the issuance of the Notice.¹

Attached hereto, as required, is a copy of the "Amendments to the Claims" section of the Response filed July 29, 2005 ("Response") that includes a "complete listing of all of the claims" as required by 37 CFR § 1.121. (Exhibit A.) Accordingly, for the reasons set forth in the Response, entry of the amendments, withdrawal of the rejections, and allowance of the claims are respectfully requested. If the Examiner has any questions regarding this paper, please contact the undersigned.

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as first class mail in an envelope addressed to: Mail Stop Amendment, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, on September 12, 2005.

¹ If this belief is incorrect, then the Examiner is requested to replace "Amendments to the Claims" section filed with the Response with the "Amendments to the Claims" section attached hereto as Exhibit A and to clarify the grounds for the issuance of the Notice so that any alleged non-compliance may be corrected.
